Application to Instructor Training Program (Page 2) Applicant Essay Questions

Please type responses to the following questions on a separate sheet of page:

1. What is your interest in becoming an Ortho-Bionomy instructor?
2. Describe several key learning experiences. What was the role of the instructor or the instruction in these experiences?
3. What do you think your strengths and weakness will be as an instructor?

Please assess or comment in regards to the following areas about yourself: communication skills, patience, honesty, discernment, personal integrity, perseverance, commitment to the practice of Ortho-Bionomy, relationship to the Ortho-Bionomy community and the Society of Ortho-Bionomy International.

4. What do you think will be unique to your teaching?
5. As a practitioner, have you served as an advisor to students in the program? If so, what has been your experience in that role? If not, please describe the role your advisor took in your training process. Please comment on the value of that experience in your training process.
6. Describe the role and responsibilities of an Instructor.
7. Describe the roles and responsibilities of an Advisor.
