TRADEMARK VIOLATION REPORT

Important: Please Print or Type and forward this report via mail or email to the Society office, at the contact information listed above. Also, please include support documentation (ie website, business card, ad, photo of sign, etc.) if available. The report will be recorded and forwarded from the office to the Trademark Officer. You will receive email or mail correspondence confirming receipt of your request. Thank you for your diligence and support in helping us to maintain the Society and Ortho-Bionomy trademarks.
